Subject Activity Report  
Week Ending 8-11-85

1. Advised METRO of unsuccessful attempts to remove coal and slag piles. They will get back to us with testing procedures if required.
2. Received copy of Federal charges regarding cement spill incident. Went to arraignment hearing where an October 10th hearing date was set.
3. Cameraman from KING television taped plant scenes for special program to be aired in September.
4. Increased pay brackets 20¢/hour, for wage roll jobs.
5. Completed truck blow off system that will allow Type I or Type II to be blown off directly into new silos.
6. Began blast hole drilling at White River site. Anticipate blasting next week.
7. Will begin relocation of existing dust collector to better suppress dust from clinker unloading.
8. No accidents. Visitors: Mr. Deleenheer.
